FITS THROUGH ANY STANDARD DOORWAY

THE RIGHT SIZE SOLUTION

Podcart is built to roll smoothly across the wide range of floor surfaces found at trade shows, media centers, educational facilities, and anywhere you want to bring your podcast studio. Its tall, multi-directional locking wheels make it easy to maneuver and keep securely in place. Wherever the day takes you, Podcart is ready to move with you.

SPL Systems

WHY THE PODCART IS PERFECT FOR LIVE EVENTS

- Studio-grade multi-camera production
- Automatic speaker switching
- Cloud recording and delivery
- SDI video output for venue-wide streaming
- XLR audio output for in-room reinforcement
- Record-and-go via USB-C hard drive
- Minimal footprint. Maximum presence.
- Perfect for Media Rooms

UPGRADE THE EXPERIENCE

- Dedicated SPL Concierge to manage tech and talent
- B-roll wide camera for more dynamic coverage
- 4-point lighting package for broadcast polish
- Live streaming to YouTube or your preferred platform
